

## SPECIAL TESTERS

# 11

## Digital compression tester

### Technical features:

- precision: 1%FS
- software in 7 languages (IT, EN, DE, FR, ES, PT, GR, PL)
- touch screen LCD display, 4,3"

CODE	
FG 215	

### Accessories included:

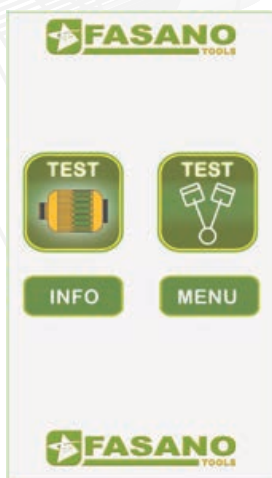

- 0-80 bars sensor
- Terminals for 12V battery connection
- kit of couplings + hose for petrol system
- hose for Diesel system

### Accessories included

FG 215 allows to test the compression power of **Diesel** and **Petrol** systems.  
Designed, engineered and manufactured entirely in **Italy**!

### Principal menu of FG 215

### ALTERNATOR TEST FUNCTION

### COMPRESSION TEST & BATTERY TENSION TEST

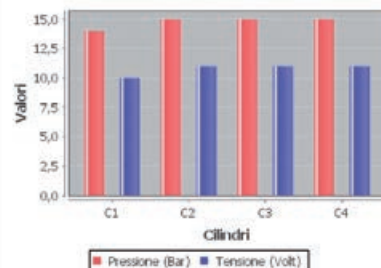

### PROVE DI PRESSIONE SU CILINDRI

As part of continuous development of specific Automotive tester, **FASANO TOOLS** launch the new **FG 216**, a digital tester capable of measuring fuel pressure of **Diesel** e **Petrol** systems. For Diesel system, **FG 216** is capable to measure **LOW PRESSURE** and **HIGH PRESSURE**.

## Digital fuel pressure tester

### Technical features:

- precision: 1%FS
- software in 7 languages (IT, EN, DE, FR, ES, PT, GR)
- touch screen LCD display, 4.3"

CODE	
FG 216	

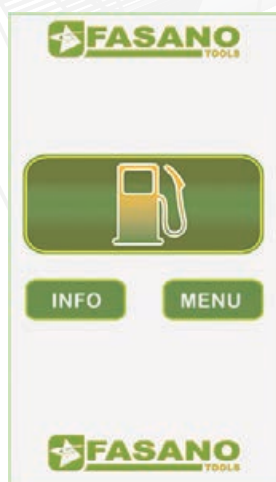

### Accessories included:

- 0-80Bars and 0-2.500Bars sensors
- Terminals for 12V battery connection
- kit of couplings + hose for Diesel and Petrol systems

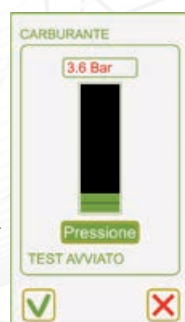

### Accessories included

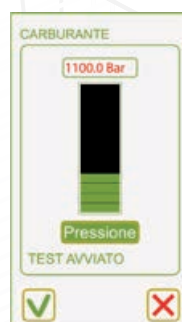

### Principal menu of FG 216

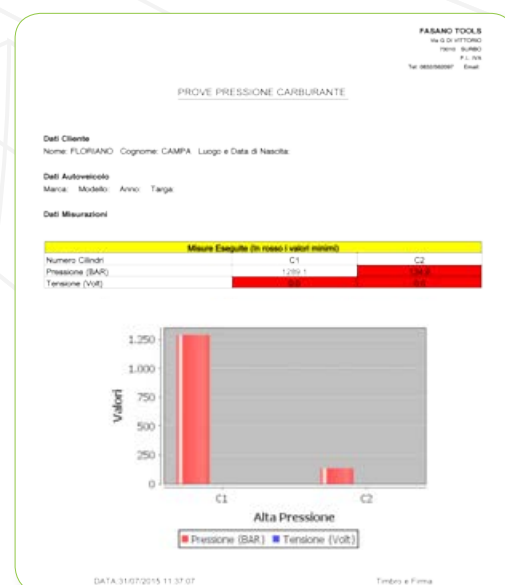

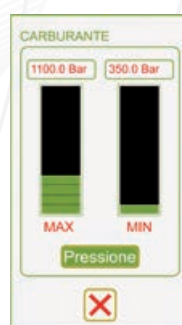

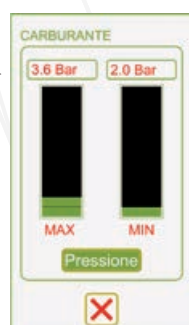

### LOW PRESSURE function

### COMMON RAIL PRESSURE function

### Display screens tests

Able to download and store datas into PC, personalizing the data sheet with the informations of own garage and own customers

## Digital COMMON RAIL high pressure tester

### Technical features:

- precision: 1%FS
- software in 8 languages (IT, EN, DE, FR, ES, PT, GR, PL)
- touch screen LCD display, 4.3"

CODE	
FG 216/A	

FG 216/A is capable to measure  
**HIGH PRESSURE** of **COMMON RAIL** system.

It's equipped of all hoses and adaptors and with  
a sensor of **0-2.500Bar**.

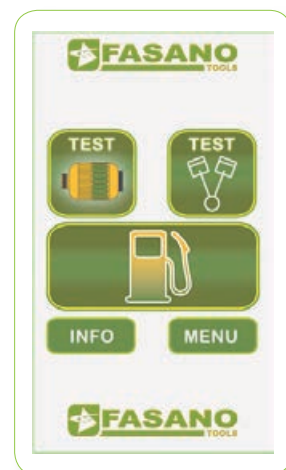

## Multi-function digital tester for compression and fuel pressure

### Technical features:

- precision: 1%FS
- software in 8 languages (IT, EN, DE, FR, ES, PT, GR, PL)
- touch screen LCD display, 4.3"
- sensors 0-80Bar and 0-2.500Bar

CODE	
FG 218	

FG 218 is a **MULTI-FUNCTION  
TESTER** capable to measure  
**COMPRESSION** and **FUEL PRESSURE**

Accessories included  
for pressure tester and  
accessories included for  
compression tester  
(including petrol systems'  
adaptors)
